Community gets a taste of Pakistan

Connecting Community for Kids held its third gathering in a series of "That was my Home" events on Saturday, November 30.

The event at the Kwinana Golf Club celebrated Pakistani culture. That was my Home is a series of events that embrace diversity, bringing people from all walks of life together to promote harmony and celebrate the many cultures that make up our vibrant community. Each event is focused around a different culture.

Attendees feasted on a range of traditional Pakistani delights including chikar chole, faloda and aloo keema. They were also treated to traditional dance performances, arts and crafts by local artisans and cultural stories from the local community.

Connecting Community for Kids community facilitator Nicole Hunt said the multicultural events enabled the organisations Celebrate
