

COLLECTIVE IMPACT QUARTERLY REPORT CARD

Working in and with the Cockburn community the Connecting Community for Kids collective impact initiative is focused on 4 community identified priorities.

Australian Early
Development Census
2018 results

Less than 1 in 5
were developmentally vulnerable.
That's 16.9% of 5 year olds in Cockburn.

JAN TO MAR 2020

AS A RESULT OF THE SUPPORT RECEIVED, PARENTS IN COCKBURN REPORT:

102 families	Receiving education & support delivered through 10 COURSES with combined duration of 131 hours.
484 families	16 regular ACTIVITIES & GROUPS to join offering a combined 1032 hours of engagement.
49 families	13 SHORT WORKSHOPS totalling 25 hours of information to parents and children.
23 families	Receiving 1:1 SUPPORT . That is 83 hours of contact.
86 families	Attending 4 one-off events.

This report card is a collated summary from Joint Leadership partners answering the broad question "How many different families used these types of services during this period". The focus is activities that relate most directly to the overarching CCK goals and partnerships. Not all services and programs delivered by the provider are included and the data may not align with other activity reports of each individual service.

NEPALESE THEMED LONG TABLE LUNCH

In February 2020 the Celebrate Culture Action team, in partnership with Meerilinga's Children and Family Centre, Cockburn hosted a Nepalese themed Long Table Lunch. Over 20 adults and 13 children came together to learn about some of the traditions of Nepalese culture, enjoy food from a variety of cultures and to celebrate the opportunity to come together.

"Thank you CCK and Meerilinga for a wonderful 2 hours. I enjoyed listening to Navin talk about his culture and looking at the Nepalese artefacts and tasting Nepalese food"

"It was great to see some people I know and to meet new people. Great to connect with other service providers working in Cockburn and Kwinana."

"This is the first time I have attended a Long Table Lunch. I will attend more now I know how friendly everyone is and how good the food is!"

KAYA TIME

Kaya Time sessions are held monthly on Mondays at the Yangebup Family Centre and supported by Community Development Officer, Lora Bikic. Initially the idea to commence an Aboriginal playgroup at YFC came from wanting to start an Aboriginal grandmothers group. Having seen firsthand, the hardships that can fall on Aboriginal grandmothers, sometimes having to care for the whole family; we felt that it would be fantastic for them to have an outlet and come to the Centre to yarn, mingle and perhaps do an arts and crafts activity.

Eventually through meeting the Aboriginal Community Officer at Yangebup Primary School and talking to some of the members of City of Cockburn Aboriginal Reference Group the idea was opened to the whole family and for it to become about the family unit. Kaya Time now has 8 families attending regularly and YFC have created a culturally inclusive environment with the community artwork, children's resources and the Aboriginal and Torres Strait Islander flags displayed.

As example of intergenerational participation, in March, Kaya Time partnered with Earbus Foundation WA to provide ear checks for the ten children in attendance and the City of Cockburn Youth Centre visited to provide information on driving programs for young adults.

KIDS GO WILD

Kids Go Wild is a series of outdoor discovery activities for children. Events are held monthly and include an exploratory walk, nature-based craft activity and shared morning tea. Parents and children have enjoyed finding new playgrounds, parks and open spaces. Past locations have include Smart Park, Len Packham Park, Lake Coogee, Hop Bush Park, Bibra Lake Reserve, Manning Park, and Woodman Point. Our aim for these events is for community members to take the lead in exploring local neighbourhoods in Cockburn. This has been a successful strategy for a similar model in Kwinana, with volunteers organising social neighborhood connections.
