Steps:

1. Roll 2 balls of playdough - 1 large and 1 small. (see our playdough recipe - to keep playdough white do not use any food colouring).
2. Stack the smaller ball on top of the larger ball.
3. Add sultanas for eyes and buttons
4. Add apricot piece for a nose.
5. Break a stick into two small parts for the arms on either side of the larger ball.
You can also use pretzels.
