

DIY BUG I SPY BAG

Steps

1. Pick 4-5 bugs for your bag. (or you could theme your bag with under the sea, Christmas or anything you wish)
2. Add coloured rice* to the bag.
3. Seal the bag.
4. Add another bag over the top.
5. Add tape over the seal.
6. Can you find your bugs hiding in there?

Coloured Rice

Coloured rice is made by adding one cup of rice to a container with one teaspoon of white vinegar or lemon juice. Add the desired food colouring. Cover the container and shake until all the rice is covered. Spread rice on a paper towel to dry.

Requires Adult Supervision. Contains small parts/choking hazard. Not to be consumed.
