

# PLAYING WITH OOBLECK / SLIME

CORNFLOUR, WATER, FOOD COLOURING

## HELPS YOUR CHILD'S DEVELOPMENT OF ...

### Fine Motor Skills

Through pinching, pouring, scraping and poking the slime.

Strengthening hands and fingers will help with dressing, eating, drawing and writing skills.

### Cognitive and Language Skills

By exploring and talking about the different textures and consistencies.

### Visual perceptual skills

By hiding items in the slime and making the slime into letters or number shapes.
